

WOLTER TRIAL HELD UP AGAIN

Sheriff Cavitt Finds That Man Held in Anderson is Howard, Not Columbus Glore.

LATER IMPORTANT WITNESS

Jury is Ordered to Report Monday When Suit of Kenner Vs. Naden Will be Started.

As the result of continuing the case against Eddie Wolter, charged with the illegal sale of intoxicating liquor, it was rather quiet in circuit court today. Sheriff Cavitt returned empty handed from Anderson, where he went to see if the man held in jail there was Columbus Glore, wanted here as a witness in the Wolter case.

As had been suspected the man at Anderson was Howard "Happy" Glore, a brother of Columbus Glore. Columbus Glore is said to be in Marion, although it has been impossible for the sheriff there to locate him. The state is anxious to have Columbus Glore here for the trial, although he is not the prosecuting witness, and the case was postponed for a second time.

The jury was called for today but did not report and has now been ordered to report next Monday, when the damage suit of Miss Louise Kenner against James E. Naden, the Rushville American and others is scheduled to start. The case is the outgrowth of a newspaper subscription contest and the plaintiff alleges that through fraud she was deprived of a trip to the San Francisco exposition last summer. Naden is alleged to have awarded the trip to Mrs. Will Nicholas in payment for a board bill.

The divorce suit of Clem Sampson against Catherine Sampson was dismissed this morning and the costs paid. Sampson and his wife, it is stated, are again living together, having effected a reconciliation. Judge Sparks found for William Smiley against Jesse Wolung on a note in the sum of \$203.96. The original demand was \$225. The case was heard Monday and taken under advisement.

GOVERNMENT BREAKS UP

Carranza Regime Disintegrates Rapidly, Messages Say.

(By United Press.)

Washington, Feb. 16.—Information said to be authentic reached government officials by mail today to the effect that the Carranza administration in Mexico is in desperate straits.

"The Carranza government," one message reads, "is crumbling fast. It is already gone, in fact. It is almost incredible of belief how much ground Carranza has lost in the last sixty days. The whole Carranza structure is disintegrating."

Washington, Feb. 16.—The state department announced this the resignation of George Marye, ambassador to Russia, this afternoon. Ill health is given as the reason.

Congratulations To—

Frank J. Hall, the oldest active member of the Rushville bar. Mr. Hall is 72 years old today. Mr. Hall has taken an active part in politics and was lieutenant-governor when Thomas R. Marshall was governor. Governor Hall confesses to being a bachelor.

SAYS COMPANY IS INSOLVENT

Marshall E. Newhouse Brings Suit to Have Receiver Appointed For Ideal Husker Co.

INDEBTEDNESS \$2,674.65

States President Takes no Interest in Affairs and Stock Certificates Are Unissued.

A suit asking that a receiver be appointed for the Ideal Husker company was filed this morning in circuit court by Marshall E. Newhouse, one of the main stockholders and the one who first brought out the husker that was proposed to be manufactured by the company.

Mr. Newhouse alleges that the Ideal Husker company is insolvent and that it is indebted to him in the sum of \$674.65 and to others aggregating \$2,000. The complaint states that the only assets the company have is one husking machine valued at \$100, the patents, plans, drawings and blue prints. The start of the company was auspicious and for a time the prospects were bright.

Mr. Newhouse states that the president of the company, C. B. Smith of St. Louis, Mo., refuses to take any interest in the affairs of the company and that he has been unable to reach a settlement. The allegation is made that stock amounting to \$1,200 has been sold to Jacob Feudner, D. D. VanOsdol, H. G. Hackman, Fred A. Caldwell, Ed N. Hill, Wesley Mauzy, N. P. Jones, Allen R. Holden and Oneal Brothers, but that none of the stock certificates have been issued to any of the parties.

Mr. Newhouse believes that the affairs of the company could best be settled by a receiver who would be empowered to sell the patents and holdings of the company. A date for hearing the receivership question has not been set. John A. Tittsworth represents the plaintiff.

PRIMARY BALLOTS PREPARED TODAY

Election Commissioners Find That Ninety-Three Different Forms Will be Required.

COUNTY OFFICERS ARRANGED

The primary election commissioners, A. M. Taylor, Donald L. Smith and Verne W. Norris completed the task of preparing the ballots for the primary this afternoon. The names of the candidates were arranged in order. The names of the candidates from each party will all be on one ballot and because of the fact that precinct committeemen are to be nominated at the primary, it will require different ballots for each of the thirty-one precincts in the county, making ninety-three forms with three parties in the field.

The candidates for national and state offices will head each of the party ballots and then the county officers will come as follows: clerk, auditor, treasurer, sheriff, coroner, commissioners, state delegates and precinct committeemen. Under the law each precinct is to receive one and one-half times as many ballots as there were votes cast for the various parties at the last election.

MAYOR VETOES SNOW ORDINANCE

Declares He Believes Measure Passed by the City Council is Against Public Policy.

THIS IS SECOND DEATH FOR IT

Council Refuses to Act on Resolution Asking First Street be Turned Over to Commissioners.

To the Common Council of the City of Rushville,

Gentlemen—An ordinance passed by you on the 1st day of February, 1916, requiring all citizens and lot holders in said city to clean their sidewalks of snow, within 24 hours, and fixing a penalty for failure to do so, I hereby return to you without my approval, for the reason I believe the same to be against public policy and unenforceable and a great hardship upon the citizens thereof.

CLATA L. BEBOUT,
Mayor.

The above veto submitted to the city council last night by Mayor Bebout killed the so-called snow ordinance which was passed by the council by a vote of 3 to 2. The veto of the mayor was received by the council in a friendly manner and there is no ill-feeling over the matter. In a discussion that followed Mayor Bebout stated that he had tried to size up the situation from all angles before making a decision and that the veto came only after due consideration on his part.

Mayor Bebout stated that he believed it impossible to enforce the ordinance without discriminating against someone and believed his action was for the best interests of the city. The council accepted the mayor's views and the ordinance was allowed to die. To pass the ordinance over the veto of the mayor would require four votes and as the ordinance was passed after the usual routine by a 3 to 2 vote this would have been impossible.

This is the second time the ordinance has been killed. Last year the ordinance was introduced and killed on first reading. This year it got a little nearer to a law as it was passed on third reading and was ready for the mayor's signature. Mayor Bebout stated that the ordinance was not clear as to how much of the sidewalks should be cleaned and since the city attorney was not certain as to its enforcement he could not let it become a law. Under the ordinance, the city attorney would have to prosecute and if he was not satisfied with the ordinance there could be little hope of convictions.

The long drawn out controversy with the Lake Erie and Western railway regarding the placing of a light at the Third street crossing was finally settled last night. A representative of the railway appeared before the council. He stated that since the city was to be benefited by the light he thought the upkeep should be shared with the railway company. The other railroads entering Rushville pay for their light at the rate of \$48 a year and the city saw no reason why the Lake Erie should not comply with this order. It was finally agreed that the railroad would see that the light was installed. This matter has been hanging fire for almost a year, the city waiting for the railroad to act.

The council refused to take any action on the resolution presented by the First street property owners asking that the street be turned over to the commissioners.

ESSAY PRIZES ARE ANNOUNCED

Winners of Firsts Will Read Papers at D. A. R. Celebration on Friday Afternoon.

\$25.50 IN GOLD TO BE AWARDED

Event Will Serve Another Purpose, That of Celebrating Washington's Birthday.

The announcement of the prizes awarded in the history pupils essay contest conducted by the Rushville chapter of the D. A. R. will be the occasion for the celebration of Washington's birthday Friday afternoon at the Graham Annex auditorium.

The event will mark the end of the third annual contest arranged by the D. A. Prizes amounting to \$25.50 will be awarded in gold to the pupils of the seventh and eighth grades and the high school who won prizes. The awards have been announced at the close of the school year, heretofore, but beginning this year, it was decided to make the event serve another purpose—that of celebrating Washington's birth anniversary. Also, those in charge of the contest found that at the close of the school year there were so many things that detracted from the interest in the contest.

It was intended that the pupils should write on Indiana historical subjects, but many of the pupils in the grades did not have enough knowledge of that subject to discuss it intelligently. It was thought the topic was especially appropriate this year because 1916 is centennial year.

The program will begin at two o'clock Friday afternoon. Mrs. A. L. Gary will preside and the winners of the prizes, the contest committee of the D. A. R.—Mrs. C. H. Gilbert, Mrs. Siddle Mowers and Mrs. Gray—and the officers of the chapter will be seated on the stage. All history pupils will be dismissed from their classes to join in the celebration and all patrons of the school and friends of the D. A. R. are urgently invited to be present.

The program will open with the invocation by the Rev. W. M. Whittitt, followed by the singing of "Indiana" by the school. Magdalene Arbuckle will read her paper, "The Pilgrims," first prize winner in 7B. Phyllis Casady will read her paper on the topic, "George Rogers Clark," prize winner in 7A. "Pioneers of Indiana," which won the first prize in 8B, will be given by Miss Norma Headlee. This will be followed by a special musical number arranged by Miss Helen Scott and the reading by Helen Matlock of the prize winner paper in 8A on the subject, "Indiana in the Civil War." The winning paper in the high school will then be read. It will be announced tomorrow as the judges have not completed their work. After the prizes are awarded by Mrs. Wilbur Stiers and the school sings "America," a moving picture of "The Boston Tea Party" will close the afternoon.

The contest was very close, in some instances no more than one point separating the grades of the contestants. In each of the four grades the prizes \$2.00 for first, \$1.50 for second and \$1.00 for third. The prizes in the high school are \$5.00 for first and \$2.50 for second.

Winners of second and third prizes in the grades and their topics follow: 7B—Forrest Wolverton, "Christopher Columbus," 2d.; Harold Tittsworth, "Christopher Columbus," 3d.; 7A—Cecil Downey,

MUST APPEAR OR BONDSMAN LOSES

Andrew Kinsley, Whose Conviction Was Sustained by Supreme Court, is Out of City.

LUTHER SHARP ON \$500 BOND

Higher Court Holds no Error Was Committed in Permitting License to be Introduced.

Luther C. Sharp, bondsman for Andrew Kinsley, convicted in the local circuit court on a "blind tiger" charge in connection with the Eagles lodge case, must produce him in court or forfeit \$500, now that the supreme court has sustained the conviction of Kinsley. The certified copy of the supreme court's finding reached the clerk of the Rush circuit court this morning.

Kinsley was found guilty on May 19, 1915 and sentenced to 30 days in jail, to which was added a fine of \$95. The case was appealed to the supreme court and the appeal bond fixed at \$500, with Sharp as surety. Since the appeal was taken Kinsley has married and has been living in Indianapolis. Sharp feels little concern about Kinsley and believes he will come here of his own accord to serve the thirty-day jail sentence.

The Eagles lodge was one of the first victims of the crusade against "blind tigers." Kinsley was found guilty in police court and appealed to the circuit court. Here he was again found guilty and now the supreme court upholds the circuit court. Kinsley assigned numerous reasons on appeal why judgment should be reversed, contending that it was an error to permit the introduction of government license to the

MYSTERY IN FOUR DAMAGING FIRES

Two Steamers Loading Munitions Are Destroyed at New York Pier at Loss of \$4,000,000.

TORONTO CLUB DESTROYED

Starting From Explosion, Blaze at Fall River, Mass., Burns Block—Loss \$1,500,000.

(By United Press.)

New York, Feb. 16.—A \$4,000,000 fire virtually destroyed two steamers and damaged other vessels at the New York Dock company's pier in Brooklyn early today. It was brought under control after hours of hard fighting by engine crews and fire trucks.

All but one of the twenty coolies missing shortly after fire broke out, have been accounted for. The captain of the Boston Castle and a seaman aboard the Pacific, the two vessels burned, had thrilling escapes from death.

The two steamers were reported to be loading with war supplies for Russian or English ports. This report gave rise to rumors of a bomb plot. Another report, however, said that a short circuit of electric wires started the blaze.

ONE MAN DIES.

Toronto, Ontario, Feb. 16.—One man was killed, two were seriously injured and the building occupied by the American club was destroyed by fire following an explosion in the club rooms here early today. The fire was declared to have been of incendiary origin and reports of Tuetonic plots were soon in circulation.

The blaze was followed by a heavy explosion, which shook the entire building. P. I. Hurston of Dallas, Texas, a guest, was trapped in his room and perished.

STARTS FROM EXPLOSION.

Fall River, Mass., Feb. 16.—After an all-night fight against a \$1,500,000 fire which swept the business district of this city, combined apparatus of three cities checked the blaze early today.

Starting from an explosion in the basement of the Steiger department store, the flames claimed every building in the square, including the Lemox hotel and just missed the city hall and St. Mary's cathedral.

MYSTERIOUS FIRE.

Chicago, Feb. 16.—A mysterious fire, evidently of incendiary origin, was discovered early today in the city hall near the chemical laboratory in which poisons found in the room of Jeanes Crones, alleged principal in the anarchistic soup plot are being analyzed.

A quart bottle of oil was found in the cloak room near the laboratory.

A Talk to Retailers

Manufacturers from time to time advertise their brands and their products in this newspaper.

Each advertisement means more business for the stores that carry these goods.

It means new customers, and enlarged sales.

That business will go to the retailers who co-operate with the newspaper advertising by showing the goods.

The customers interested by the newspaper advertising will see the goods in the windows and will accept them as the merchant's invitation to come in.

How We Wash Your Linen

At our modern laundry your clothes are washed by being placed inside a large perforated cylinder which revolves inside a water tight case. The case holds the water—the cylinder carries the garments through it.
 With every revolution the clothes are carried through the water and dropped again into it. This and the constant motion work the water and soap suds through the clothes, and so loosen up and carry away the dirt without the wear of the rubbing process.
 In our washing process we change the water upon your clothes seven times. These waters range in temperature from cold to boiling hot. We use pure soap, plenty of it, and the best bluing money can buy.
 Naturally we make your clothes whiter, cleaner and sweeter—and guarantee their perfect sanitary condition.

Eagles lodge, and that he was not arraigned in circuit court after his appeal from the mayor's court, and that the court should have quashed the affidavit.

The supreme court held that no error was committed on the arraignment as the plea in the mayor's court held good in the circuit court. The sumere court also points to the fact that the statute specifically makes the government license presumptive evidence that sales of liquor are being made, and the proof that Kinsley was in charge of the lodgerooms and that many empty liquor vessels were found about the premises sustains the conviction.

It is believed that Judge Sparks will give Sharp a reasonable time to produce Kinsley in court. The forfeiture of the bond will in no way exempt Kinsley from serving the sentence in case he is caught. The opinion of the supreme court as written by Justice Erwin

FOR GOVERNOR OF INDIANA

JAMES P. GOODRICH

From Every Standpoint the Logical Candidate to Lead the Indiana Republicans to Victory This Year

Mr. Goodrich is a successful business man, farmer and banker.

He is a thorough student of affairs of Indiana.

As Republican State Chairman for ten years he not only established a reputation for efficiency but for fair and impartial dealing with every element of the party.

He has been National Committeeman since 1912.

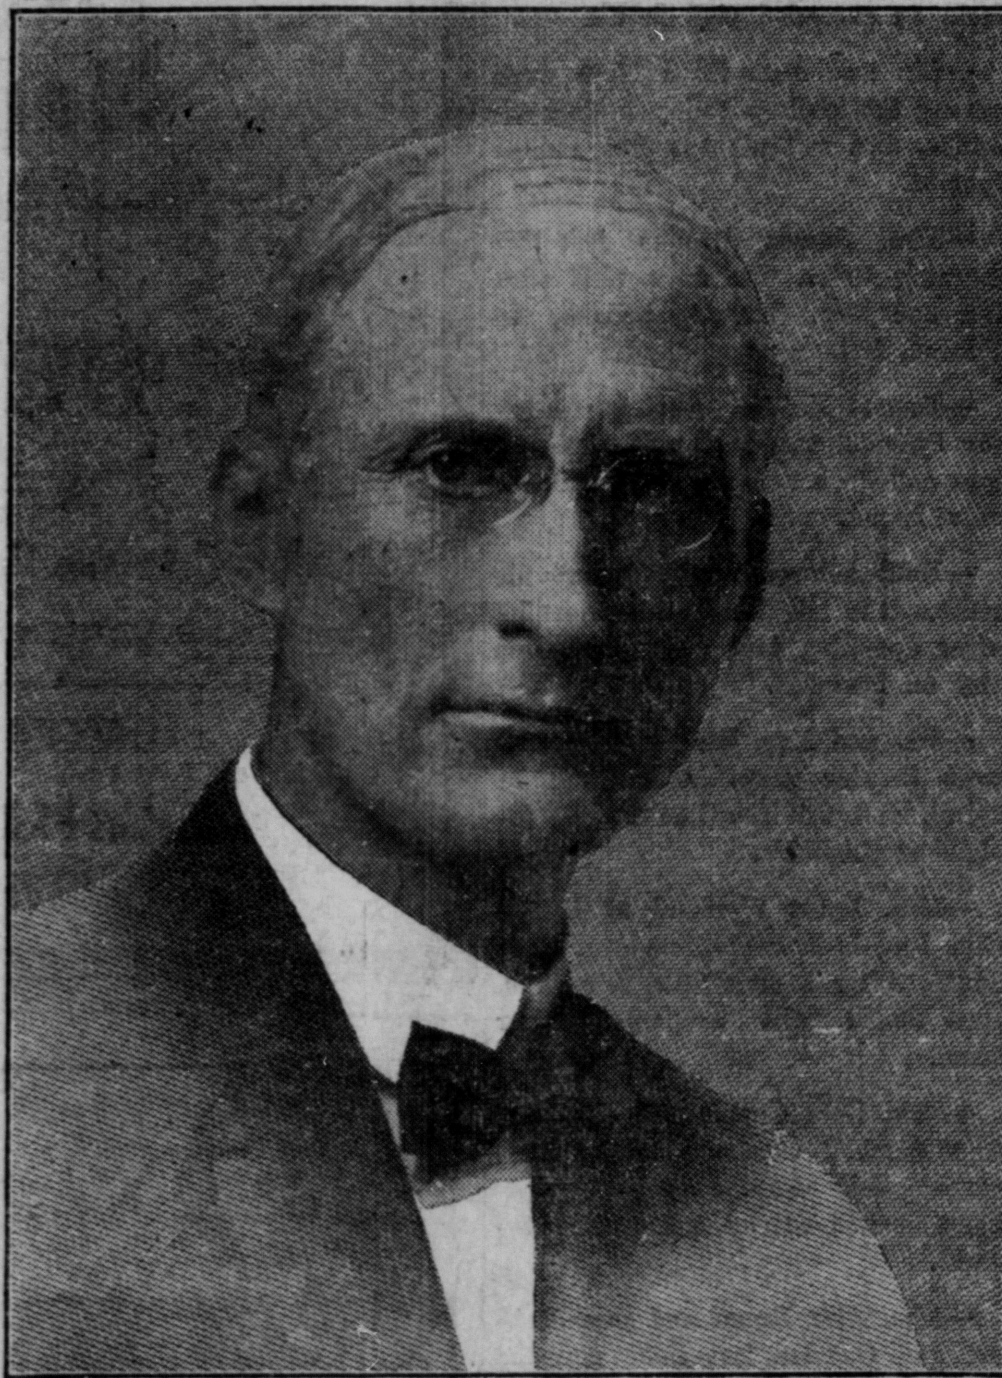

For more than twenty-five years he has been in the thick of the fight for the principles of his party and its candidates.

He has made himself a factor of good for his state.

He knows its needs and his record entitles him to fair and impartial consideration, which is all he asks.

He will be nominated March 7 at the primary because the Republicans and others who desire to affiliate with the party appreciate men of his character.

He will be elected in November because the people want a high-grade, Efficient, Experienced and Capable Man like Mr. Goodrich in charge of the Governor's office.

It behooves the Republican party to nominate its strongest man this year as the Democrats are in control of the National and State administrations.

No man in Indiana knows better than Mr. Goodrich how to conduct a campaign. His record would prove this statement even if it was disputed.

Mr. Goodrich has given years of study to the taxation question. He probably understands it as well as any man in Indiana.

He is the only candidate with a constructive program for enactment of laws that will equalize and justly lower your taxation burdens.

Mr. Goodrich stands for Better Taxation Laws, Better Roads, Honesty, Efficiency and Economy in Public Office.

Your active support of Mr. Goodrich at the Primary March 7 will be appreciated.

Fully seventy-five per cent of the editors of the Republican and Independent newspapers of the State have indorsed Mr. Goodrich and are supporting him. These men know him intimately. No other candidate ever received a finer or more general indorsement from the press of Indiana.

Principles Endure

The following is from an article written by Will H. Hays, chairman of the Republican State Committee, that appeared in the Lincoln League edition of the Terre Haute Spectator.

"The principles of the Republican party since the days of the Emancipation Proclamation have been right; and they are right today. Men live and die but principles endure, and you may be very sure that this fall's election in state and nation will register the people's adherence to these principles and their faith in our candidates. The selection of these candidates will be the free expression of the choice of the party membership. And in this activity all men who desire to affiliate with us are most earnestly urged to participate. The province of the position I occupy is to use every honest means to select the candidates and not in any sense to control the nominations. In the strenuous days which are immediately before us we will act as referee only, strictly observing a referee's limitations. And when the selections have been made, the great reunited Republican party in Indiana will go forth behind these good men, who-

That our export trade in cotton goods to China has dropped to one-third of what it has been, while that of Japan has increased nearly nine times, as shown in a report of Ralph Odell, of the Department of Commerce, will surprise nobody who takes into consideration the fact that the Japanese wage scale is about one-twelfth that paid in American mills, and the success which has attended the efforts of Japan in imitating American-made goods. The loss of trade is bad enough, but another thing the American expansion of the cotton cloth industry in Japan may result in her getting into our domestic market and put the home producers out of business, unless adequate protection is afforded the industry here. If Japan can make prices agreeable to the Chinese there is no reason why, under a Democratic tariff law, she can not invade the American market.

HUNDRED LEADING HOOSIERS 1816 - 1916

JONATHAN JENNINGS—2

Jonathan Jennings was chosen president of the Constitutional Convention of 1816, entering the race for governor immediately afterward, at the age of thirty-two. He was opposed by Thomas Posey, the territorial governor. The election occurred in August, 1816, and Jennings received 5,211 votes to 3,934 for Governor Posey. During Jennings administration the entire machinery of the state government was put into operation. While governor he was appointed commissioner by President Monroe in 1818, to treat with the Indians at St. Mary's Ohio. According to the constitution of Indiana the governor was disqualified from holding a position under the federal government. Lieutenant Governor Harrison at once insisted that Governor Jennings, by accepting the appointment as Commissioner, disqualified himself, and had forfeited the office of governor. When Jennings returned, Harrison refused to vacate the office. Jennings presented his demands—whereupon Harrison left, took the state seal and opened another office. When the legislature in December, 1818, a committee appointed to investigate the contest, finally recognized and received his message.

This action was expected as the council does not believe this is the proper time to turn the street over to the county as there are assurances that the street will be constructed by the county. If the improvement is granted then the council will give the proper permission. The same action was taken on the proposed three-mile improvement on Eleventh street. This petition is in ahead of the First street improvement and an effort is being made to get this improvement through the county commissioners at this time. KOKOMO MAN SAYS TANLAC FITS CASE

J. F. Nutter Declares he Feels Stronger Than he Has For Years.

Kokomo, Ind., Feb. 16.—J. F. Nutter, a well known glass worker, who lives at 749 South Union street, Kokomo, recently said regarding Tanlac, the Master Medicine:

"Constipation and stomach trouble caused me great annoyance and pain for months. I suffered intensely with indigestion, had frequent severe headaches, and was very nervous. I felt nauseated most of the time and had a very poor appetite. Almost everything I ate produced nausea. I was extremely restless at night owing to my nerves being unstrung, and I got very little sleep.

"Tanlac appealed to me because I knew of the good it was doing others. I decided that a medicine that was doing as much good for others ought to help me. Since taking Tanlac I sleep better than I have for years, and the headaches have disappeared. My nerves, also are in good condition, now, and the stomach trouble has been relieved wonderfully. Tanlac just fits my case. I feel better and stronger than I have for years."

Thousands of Indiana people are now deriving benefit from Tanlac. It is especially beneficial for stomach, liver and kidney troubles, rheumatism, loss of appetite, catarrhal trouble and the like.

Tanlac is now sold exclusively in Rushville, at F. E. WOLCOTT'S Drug Store.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

WOMEN'S STOMACH TROUBLES

The Great Woman's Medicine Often Just What Is Needed.

We are so used to thinking of Lydia E. Pinkham's Vegetable Compound as a remedy exclusively for female ills that we are apt to overlook the fact that it is one of the best remedies for disorders of the stomach.

For stomach trouble of women it is especially adapted, as it works in complete harmony with the female organism, since it contains the extracts of the best tonic roots and herbs. It tones up the digestive system, and increases the appetite and strength. Here is what one woman writes showing what this medicine does:—

Newfield, N. Y.—"I am so pleased to say I can recommend Lydia E. Pinkham's Vegetable Compound as an economical and beneficial remedy in most ailments pertaining to women. At least I found it so by only taking two bottles. I had indigestion in a bad form and I am now feeling in the best of health and owe it all to Lydia E. Pinkham's Vegetable Compound."—Mrs. BURR WILLIAMS, R.D. No. 29, Newfield, N. Y.

Many women suffer from that "all gone feeling," and "feel go faint," while doing their work. Ten chances to one their digestive system is all out of order. A tablespoonful of Lydia E. Pinkham's Vegetable Compound after each meal should completely remedy this condition in a few days.

Rheumatism Can be Cured

It is not necessary to go to a high priced watering place and drink nasty tasting water. You can cure yourselves right here at home with a remedy that has stood the test for more than 30 years. It acts directly and speedily upon the kidneys, liver and urinary organs and is a wonderful cleanser and tonic remedy. I can refer to many cases who were cured right here in Rushville. The usual interesting meeting of the Ladies Aid society of the Baptist church was held in the church this afternoon, with a good attendance present.

Mr. and Mrs. Walter Norris will entertain the R. C. S. Club at their home Saturday evening at six o'clock. Each one who has a part in the program is urged to prepare their work.

A theatre party composed of the Misses Inez Stager and Marie Clawson and Walter Gartin and Donald Alexander will spend the evening in Indianapolis and see "The Follies."

Each member or persons who desire to become members are urged to be present as this will be the first regular study of the club. All women in the county are welcome to join. It is desired that there be a large membership.

IMPORTANT MEETING

Psi Iota Xi held an important business meeting last evening at the home of Miss Frances Neutzenheller, when plans for the Penny supper to be held Friday evening were discussed. Appreciation was expressed for the numerous offers of help that have been given to aid in helping the visiting nurse fund. The girls enjoyed a pleasant social hour following this during which the hostess served a delicious luncheon, consisting of a salad course, to the guests.

A dinner-dance will be given at the Social Club on next Thursday evening, February 24th, by the ladies of the third division. The ladies wish to announce that they regret having to place the date on the regular prayer meeting night. Circumstances are such, however, that it is the only possible date for the affair.

WASHINGTON'S BIRTHDAY.

On Monday evening, February 21st, the Knights of Columbus are planning to give a patriotic entertainment in honor of the birthday of George Washington's birthday, which is the following day. An interesting musical program has been arranged for and Lincoln Gary will give a talk on a patriotic subject. It is to be given in the K. of C. hall and the public is invited to attend and enjoy with the hosts, this inspiring patriotic occasion.

SOCIAL MEETING

The Ladies Aid society of the United Presbyterian church was entertained in especially pretty surroundings yesterday afternoon, when the members met with Mrs. T. M. Green and from the windows looked out upon the snowy terrace sloping downward. After several reports, showing the accomplishments and progress of the society were given, the remainder of the afternoon was spent in a social way, the ladies enjoying a chat over needlework. There was an excellent attendance and they greatly enjoyed the refreshing luncheon served near the close of the pleasant afternoon. The next meeting will be with Mrs. Higgs at her home in West Second street.

OLD FASHIONED DINNER

Even though one delights in the newest of dishes, the most modern decorations and the very latest ways of entertaining, one cannot deny that the mere word old-fashioned party demands and creates an informality and sociability, that surpasses the most original ideas of the most scheming twentieth century hostess.

Such was the case today, when Mrs. George C. Alexander entertained a company of her friends and furnished for a regular old-fashioned day for them. The table was set with pretty, old-fashioned dishes, tempting layer cakes were on high dishes in the center of the laden table, and each of the delicious articles going to make up the bountiful dinner was cooked and served in an old-fashioned style. Kept in this atmosphere of long ago, the guests knotted a comfort during the pleasant afternoon hours and modern congeniality entered into the early pastime.

Among those who decided that the ways of our grandmothers equalled and surpassed our flights of society were: Mrs. Sarah Guffin, Mrs. H. V. Logan, Mrs. Morton Gray, Mrs. Dora Wood, Mrs. Leonard Alsop, Mrs. H. Lee Wilson and daughter, Helen, Mrs. Charles G. Carney, Mrs. Orval Zimmer, Mrs. H. S. Carney and Miss Zora Carney.

FAREWELL PARTY

During a short stay of only two months in this city, Mr. and Mrs. James Nichols have made new conquests of friendship at every turn, as was proved by the number of their friends in attendance at the party given in their honor at the Baptist church last evening. The men of the Brotherhood Bible class were hosts and had as their guests their families and friends. Mr. and Mrs. Nichols, who are leaving soon for their home in Olney, Illinois, have been visiting their daughter, Mrs. F. C. Steffy, and have shown their active interest in the Baptist church by their loyal help and co-operation.

The goodly crowd that gathered was welcomed with a talk by J. Q. Thomas, and several other members of the class made short interesting

remarks. Several talented guests offered a delightful little program, compatible with the occasion, enumerated in the following: A piano solo was played by Mrs. Roy Saunders; Mrs. Gilbert Palmer sang a vocal number; and readings were given by Mrs. F. C. Steffy and Russel Perrin. It was all charmingly informal and intimate. Before the delicious luncheon was served, Mr. Nichols in a few words, made everyone glad for having planned and attended the affair by telling of the kind feeling and appreciation that he and Mrs. Nichols left here.

MISCELLANEOUS SHOWER.

Mrs. John Benning and Lillie Harcourt gave a miscellaneous shower for Aulta Roth Major at the home of Mr. and Mrs. William Roth, southwest of here Monday evening. The house was bedecked with hearts suggestive of Valentine day. Many beautiful presents were received.

The guests from away were Mr. and Mrs. Joseph Roth of Connersville, Mr. and Mrs. Harry Piles of near Clarksburg, Mr. and Mrs. Carl Innis of Sexton and the following from here: Mr. and Mrs. Faron Whitinger, Mrs. Wilber Brown and daughter Carrie, Mrs. John Riggs and daughter Clara, Mrs. Ernest Patterson, Mrs. Ira Harcourt, Mrs. William Taylor and daughter Phloia, Mrs. Frank Boring, Mrs. Lora Wagoner, Mr. and Mrs. Orval Headley, Mrs. Elsie Carpenter, Mrs. John Benning, Mrs. Mary Whiting, Mr. and Mrs. Cecil Major, Miss Luedith Ward, Mrs. Ed Thorpe, Mrs. Gertrude Hungerford, Mrs. Francis Hewitt, Mrs. Sarah Hungerford, Mrs. Lucinda Harcourt, Mrs. Lucinda Farlow, Mrs. Clifford Pinner and daughter Jean, Mrs. Roy Lewis, Miss Mary Barlow, Mrs. Earl Harcourt, Mrs. Bert Reed, Miss Marie Hewitt, Mrs. Effie Seull, Mrs. Wilse Hasty, Mrs. Burnie Piper, Master Maurice Headley, Garland Whiting and Robert Hasty, Doris Whiting, Mildred Hungerford, Deloris Hasty, Violet Headley and Grace and Mary Major.

Ice cream, coffee and cakes were served and miniature valentines were given as favors. In the guessing contest, eight tied for the honor and they drew numbers from a box to decide the contest, Miss Luedith Ward being the lucky one.

"SHAW, THE SOCIALIST"

A different phase of the life and work of Bernard Shaw, than that which might have been expected was discussed last evening by Prof. Jenkins, of Indiana University, who has been furnishing intellectual treats in the series of lectures which he has given before the members of the Shakespeare Club, and their friends whom they have generously invited. About seventy-five people heard his lecture given in the Graham assembly room last evening.

Prof. Jenkins did not dwell so much upon Shaw's work as a dramatist as he did emphasize the cause and effect of his writing plays. "He did so from a socialistic standpoint, thinking the best results in settlement work in which the unselfish dramatist is intensely interested, could be attained. Mr. Jenkins said. "The effects which his plays have already reaped in England have proved he was right, for

OLD-TIME COLD CURE—
DRINK HOT TEA!

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Stop "dosing" Rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless rheumatism cure which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache, neuralgia.

Limber up! Get a 25 cent bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

The readers of this paper will be pleased to learn that there is at least one druggist who has been able to cure all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

SAYS BRYAN WILL OPPOSE PRESIDENT

Copyrighted Article in New York Post Declares he Will Fight Wilson's Renomination.

GUESS BASED ON INTERVIEW

(By United Press.)
New York, Feb. 16.—"William Jennings Bryan—the man who made the nomination of Woodrow Wilson possible at Baltimore—will in all human probability oppose the renomination of the president at the Democratic national convention, next June," said the Washington correspondent of the Evening Post, in a copyrighted article today.

The correspondent stated, however, that if President Wilson is renominated, Bryan will not bolt his nomination.

"This is the fixed impression which the ex-secretary of state left on my mind after two long talks with him recently," the article continued.

"He asks particularly that until the president formally announces his candidacy, nothing be said of his views, and even then he did not want to be restricted by any utterance in advance of the convention. He wanted to be free to do as he thought best—to express himself at the moment he thought most opportune."

NOTICE

For the Improvement of a Highway in Rushville Township, Rush County, Indiana.

Notice is hereby given that a petition has been filed in my office for the grading, draining and paving the same with cement of a highway in Rushville Township, Rush County, Indiana, which petition is in words and figures as follows, to-wit:

TO THE BOARD OF COMMISSIONERS, RUSH COUNTY, INDIANA:

Come now the undersigned and respectfully show to your Honorable Board that more than fifty of the undersigned petitioners are resident free-holders and voters of Rushville township, Rush County, Indiana, and that the said Rushville township, Rush County, Indiana, does not contain an incorporated town or city of thirty thousand inhabitants, but that said township does contain an incorporated city of less than thirty thousand, to-wit: Rushville, Indiana.

Your petitioners would further show to your Honorable Board that there is now and has been for a number of years past, a public highway in said township, described as follows, to-wit: Beginning at a point in the Rushville and Andersonville Free Gravel Road in the west half of the southwest quarter of Section 5, township 13, north, range 10 east, where the same is intersected by the Rushville and Milroy Free Gravel Road. Said point of beginning being at the terminus of such portion of said highway as is now improved by having the same drained, graded, and paved with brick and running thence in a south and southeasterly direction over and along said Rushville and Andersonville Free Gravel Road to a point where the same intersects the east line of said Rushville township, Rush County, Indiana, said above described highway being about 2½ miles in length and running through sections 5, 8, 9, and 16, all in township 13 north, range 10 east.

Said petitioners say that said above described highway should be graded, drained and paved to the width thereof as now established and that the same should be improved by grading, draining and paving the same with concrete or with crushed stone and bound macadam and that when the same is so graded, drained and paved, it will be of public utility.

Your petitioners would further show to your Honorable Board that said highway proposed to be improved is all in said Rushville township, Rush County, Indiana, and at the same time is less than three miles in length and connects at the north end thereof with an improved free gravel road now paved with brick and that the south end thereof connects with the east boundary of said Rushville township, Rush County, Indiana, and that a United States Rural Mail Route passes over and along said highway.

Your petitioners would further represent that in view of the importance of said highway and the great amount of travel thereon, that it would be for the best interests of the taxpayers of said Rushville township, Rush County, Indiana, to have the same graded, drained and paved with concrete and they respectfully recommend to your Honorable Board, that said highway be graded, drained and paved with concrete.

Respectfully submitted:

ASKS GUARDIAN REMOVAL

O. M. Offutt Files Petition to Oust William E. Cowger.

Oliver M. Offutt has filed a petition in the circuit court asking that William E. Cowger be removed as guardian for Elmer C. Cowger. The guardianship was instituted because Elmer C. Cowger is an inmate of the Madison insane asylum. In the petition it is alleged that William Cowger is incompetent to act as guardian and that he is not giving the interests of his ward the proper attention. The complaint states that Elmer Cowger has real estate valued at \$9,750 and that the guardian rents the land to himself for \$200 a year when he should be paying \$400 a year. The court is asked to hear the evidence and then remove the present guardian. Kiplinger & Smith represent Offutt.

MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's Drug Store, the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help."

This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly end all such troubles.

UP-TO-NOW IN DESIGN

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

We have faith in our ability as rational designers and as proof we show at our works a most complete selection of ready to erect monuments designed by our nationally recognized designer, Mr. A. H. Schrichte.

DEBTORS — CREDITORS

TO THE DEBTORS—The Rush County Business Men's Association is now compiling a credit list for the membership. It is the desire of the members to see everyone has a good listing, and anyone knowing themselves to be indebted to the members can secure a good listing by calling on the one to whom they know themselves to be indebted or by calling the secretary, Phone 1746. If any debtor will show any effort, if by only paying small payments per week, they can protect themselves and secure a good listing. The association will be very glad to have their collector call at your home once a week.

TO THE CREDITORS—Any business man in the city or county who is not now a member, we would be pleased to have a representative call and explain the aims of the organization and take your membership — PHONE 1746.

To The Republicans of Rush Co.

I wish to say to the Republicans of Rush county that I am a candidate for the nomination of STATE SENATOR for the district of Hancock, Rush and Decatur Counties. I was your nominee for the same office in 1914, when the district was composed of Hancock, Rush and Fayette, and ran ahead of the State ticket in each County.

I did not seek the office at that time, but accepted when there seemed to be no chance of election, and did my part to bring success to the party. I led the ticket in Hancock County by several hundred votes. I am asking for your support in the nomination, and if nominated will do all I can to be elected. I take this method of soliciting your support as I will be unable to see all personally.

Thanking you for anything you may do in my behalf, I am,

Yours most sincerely,

VALENTINE PARTY

The fact that this is Leap Year has not affected the enthusiasm, for entertaining of the young men in the Orange high school, as was proved on Monday evening when they were hosts to a number of their young lady friends. The high school auditorium presented a home-like and festive appearance, thanks to the pretty decorations which consisted of red hearts and cupids dangling here and there and floating gracefully from every possible place. The effect repaid the hosts

for their pains in decorating. After a jolly hour of games and Valentine contests, the guests found their partners for supper by matching the halves of Valentines that had been distributed. After the delicious repast which was especially tempting because of the pretty Valentine table decorations and the unique place cards, the following clever toasts were given:

"As Our Valentines, You Are Welcome"—Wilbur McKee.
 "Response"—Miss Grace Cofed.
 "Soap Bubbles"—Rollin Morris.
 "My Idea of a Good Time"—Miss Mary Houchins.
 "Valentines I Know"—Edgar Starr.
 "Leap Year"—Miss Helen Morris.
 "Wishing"—Miss Mary McKee.
 "Why I Like Hearts"—Miss Florence Paxton.
 "What I Think of Valentines"—Gilbert Morris.

Pink carnations were the favors of the evening to the guests who, aside from those mentioned, were as follows: the Misses Druze Crist, Mildred Utter, May Tittsworth, Nellie Stevens, Edna George, Lela Bowen, Mildred Beaver, May Helen Houchins, and Clarence Crist, Bezel Creek, Royden Friend, Gilbert Morris, Letha Hitchell, Edwin Stewart, Carl Morris, Roland Morris, Israel Long, Robert Beaver, Merrill Colvin, Virgil Pike, and Kenneth Morris.

R. M. C. MEETS.

The R. M. C. met with the Misses Goulida and Maye Weir Monday afternoon at their home just south of New Salem. The decorations were very pretty in hearts and ferns. Valentine favors were given. Delicious refreshments were served and the guests departed at a late hour after a very enjoyable afternoon. The next meeting will be with Miss Vera Stone.

CLEVER PARTY

The working out of clever ideas prevailed at the party given yesterday afternoon for the Ladies Aid society of the Methodist church by Mrs. H. G. Francis, Mrs. Minnie Abercrombie, Mrs. John C. Blackledge, Mrs. W. M. Whitsitt, Mrs. A. L. Aldridge, and Mrs. Charles Baker. The lovely home of Mrs. Francis was profusely decorated with Valentine symbols, strands of red and blue hearts being draped from the corners of the rooms and crossed gracefully in the center. Hearts, too, were in evidence on the curtains and walls, with the result that a veritable Valentine bower served as a setting for the pleasant gathering. Mrs. Abercrombie's paper on "The Origin of Valentine Day" was as interesting as the name suggests, and was followed by two beautiful violin solos by Miss Leona Thomas, who was accompanied by Mrs. Verl Bebout. Several appropriate Victrola selections helped make the afternoon hours pleasurable ones. An excellent Valentine reading was given by Mrs. Whitsitt. Preceding the program, a short business session was held during which Mrs. Horatio Havens and Mrs. Ned

Abercrombie became member of the society.

A huge basket, draped with an American flag which had been filled with the Valentines that each of the ladies had brought, was then brought in and its contents were drawn out, causing a great deal of amusement as they were read.

By matchin parts of Mother Goose rhymes that had been distributed about, the guests found their partners for the dainty collation that was served and brought to a close one of the most pleasantly social meetings in the history of the society.

WOLTER TRIAL HELD UP AGAIN

Sheriff Cavitt Finds That Man Held in Anderson is Howard, Not Columbus Glore.

LATER IMPORTANT WITNESS

Jury is Ordered to Report Monday When Suit of Kenner Vs. Naden Will be Started.

As the result of continuing the case against Eddie Wolter, charged with the illegal sale of intoxicating liquor, it was rather quiet in circuit court today. Sheriff Cavitt returned empty handed from Anderson, where he went to see if the man held in jail there was Columbus Glore, wanted here as a witness in the Wolter case.

As had been suspected the man at Anderson was Howard "Happy" Glore, a brother of Columbus Glore. Columbus Glore is said to be in Marion, although it has been impossible for the sheriff there to locate him. The state is anxious to have Columbus Glore here for the trial, although he is not the prosecuting witness, and the case was postponed for a second time.

The jury was called for today but did not report and has now been ordered to report next Monday, when the damage suit of Miss Louise Kenner against James E. Naden, the Rushville American and others is scheduled to start. The case is the outgrowth of a newspaper subscription contest and the plaintiff alleges that through fraud she was deprived of a trip to the San Francisco exposition last summer. Naden is alleged to have awarded the trip to Mrs. Will Nicholas in payment for a board bill.

The divorce suit of Clem Sampson against Catherine Sampson was dismissed this morning and the costs paid. Sampson and his wife, it is stated, are again living together, having effected a reconciliation.

Judge Sparks found for William Smiley against Jesse Wolting on a note in the sum of \$203.96. The original demand was \$225. The case was heard Monday and taken under advisement.

SAYS COMPANY IS INSOLVENT

Marshall E. Newhouse Brings Suit to Have Receiver Appointed For Ideal Husker Co.

INDEBTEDNESS \$2,674.65

States President Takes no Interest in Affairs and Stock Certificates Are Unissued.

A suit asking that a receiver be appointed for the Ideal Husker company was filed this morning in circuit court by Marshall E. Newhouse, one of the main stockholders and the one who first brought out the husker that was proposed to be manufactured by the company.

Mr. Newhouse alleges that the Ideal Husker company is insolvent and that it is indebted to him in the sum of \$674.65 and to others aggregating \$2,000. The complaint states that the only assets the company have is one husking machine valued at \$100, the patents, plans, drawings and blue prints. The start of the company was auspicious and for a time the prospects were bright.

Mr. Newhouse states that the president of the company, C. B. Smith of St. Louis, Mo., refuses to take any interest in the affairs of the company and that he has been unable to reach a settlement. The allegation is made that stock amounting to \$1,200 has been sold to Jacob Feudner, D. D. VanOsdel, H. G. Hackman, Fred A. Caldwell, Ed N. Hill, Wesley Manzy, N. P. Jones, Allen R. Holden and Oneal Brothers, but that none of the stock certificates have been issued to any of the parties.

Mr. Newhouse believes that the affairs of the company could best be settled by a receiver who would be empowered to sell the patents and holdings of the company. A date for hearing the receivership question has not been set. John A. Tinsworth represents the plaintiff.

PRIMARY BALLOTS PREPARED TODAY

Election Commissioners Find That Ninety-Three Different Forms Will be Required.

COUNTY OFFICERS ARRANGED

The primary election commissioners, A. M. Taylor, Donald L. Smith and Verne W. Norris completed the task of preparing the ballots for the primary this afternoon. The names of the candidates were arranged in order. The names of the candidates from each party will all be on one ballot and because of the fact that precinct committeemen are to be nominated at the primary, it will require different ballots for each of the thirty-one precincts in the county, making ninety-three forms with three parties in the field.

The candidates for national and state offices will head each of the party ballots and then the county officers will come as follows: clerk, auditor, treasurer, sheriff, coroner, commissioners, state delegates and precinct committeemen. Under the law each precinct is to receive one and one-half times as many ballots as there were votes cast for the various parties at the last election.

MAYOR VETOES SNOW ORDINANCE

Declares He Believes Measure Passed by the City Council is Against Public Policy.

THIS IS SECOND DEATH FOR IT

Council Refuses to Act on Resolution Asking First Street be Turned Over to Commissioners.

To the Common Council of the City of Rushville,

Gentlemen—An ordinance passed by you on the 1st day of February, 1916, requiring all citizens and lot holders in said city to clean their sidewalks of snow, within 24 hours, and fixing a penalty for failure to do so, I hereby return to you without my approval, for the reason I believe the same to be against public policy and unenforceable and a great hardship upon the citizens thereof.

CLATA L. BEBOUT,
Mayor.

The above veto submitted to the city council last night by Mayor Bebout killed the so-called snow ordinance which was passed by the council by a vote of 3 to 2. The veto of the mayor was received by the council in a friendly manner and there is no ill-feeling over the matter. In a discussion that followed Mayor Bebout stated that he had tried to size up the situation from all angles before making a decision and that the veto came only after due consideration on his part.

Mayor Bebout stated that he believed it impossible to enforce the ordinance without discriminating against someone and believed his action was for the best interests of the city. The council accepted the mayor's views and the ordinance was allowed to die. To pass the ordinance over the veto of the mayor would require four votes and as the ordinance was passed after the usual routine by a 3 to 2 vote this would have been impossible.

This is the second time the ordinance has been killed. Last year the ordinance was introduced and killed on first reading. This year it got a little nearer to a law as it was passed on third reading and was ready for the mayor's signature. Mayor Bebout stated that the ordinance was not clear as to how much of the sidewalks should be cleaned and since the city attorney was not certain as to its enforcement he could not let it become a law. Under the ordinance, the city attorney would have to prosecute and if he was not satisfied with the ordinance there could be little hope of convictions.

The long drawn out controversy with the Lake Erie and Western railway regarding the placing of a light at the Third street crossing was finally settled last night. A representative of the railway appeared before the council. He stated that since the city was to be benefited by the light he thought the upkeep should be shared with the railway company. The other railroads entering Rushville pay for their light at the rate of \$48 a year and the city saw no reason why the Lake Erie should not comply with this order. It was finally agreed that the railroad would see that the light was installed. This matter has been hanging fire for almost a year, the city waiting for the railroad to act.

The council refused to take any action on the resolution presented by the First street property owners asking that the street be turned over to the commissioners.

ESSAY PRIZES ARE ANNOUNCED

Winners of Firsts Will Read Papers at D. A. R. Celebration on Friday Afternoon.

\$25.50 IN GOLD TO BE AWARDED

Event Will Serve Another Purpose, That of Celebrating Washington's Birthday.

The announcement of the prizes awarded in the history pupils essay contest conducted by the Rushville chapter of the D. A. R. will be the occasion for the celebration of Washington's birthday Friday afternoon at the Graham Annex auditorium.

The event will mark the end of the third annual contest arranged by the D. A. R. Prizes amounting to \$25.50 will be awarded in gold to the pupils of the seventh and eighth grades and the high school who won prizes. The awards have been announced at the close of the school year, heretofore, but beginning this year, it was decided to make the event serve another purpose—that of celebrating Washington's birth anniversary. Also, those in charge of the contest found that at the close of the school year there were so many things that detracted from the interest in the contest.

It was intended that the pupils should write on Indiana historical subjects, but many of the pupils in the grades did not have enough knowledge of that subject to discuss it intelligently. It was thought the topic was especially appropriate this year because 1916 is centennial year.

The program will begin at two o'clock Friday afternoon. Mrs. A. L. Gary will preside and the winners of the prizes, the contest committee of the D. A. R.—Mrs. C. H. Gilbert, Mrs. Siddle Mowers and Mrs. Gray—and the officers of the chapter will be seated on the stage. All history pupils will be dismissed from their classes to join in the celebration and all patrons of the school and friends of the D. A. R. are urgently invited to be present.

The program will open with the invocation by the Rev. W. M. Whittitt, followed by the singing of "Indiana" by the school. Magdalene Arbuckle will read her paper, "The Pilgrims," first prize winner in 7B. Phyllis Casady will read her paper on the topic, "George Rogers Clark," prize winner in 7A. "Pioneers of Indiana," which won the first prize in 8B, will be given by Miss Norma Headlee. This will be followed by a special musical number arranged by Miss Helen Scott and the reading by Helen Matlock of the prize winner paper in 8A on the subject, "Indiana in the Civil War." The winning paper in the high school will then be read. It will be announced tomorrow as the judges have not completed their work. After the prizes are awarded by Mrs. Wilbur Stiers and the school sings "America," a moving picture of "The Boston Tea Party" will close the afternoon.

The contest was very close, in some instances no more than one point separating the grades of the contestants. In each of the four grades the prizes \$2.00 for first, \$1.50 for second and \$1.00 for third. The prizes in the high school are \$5.00 for first and \$2.50 for second.

Winners of second and third prizes in the grades and their topics follow: 7B—Forrest Wolverton, "Christopher Columbus," 2d.; Harold Titsworth, "Christopher Columbus," 3d.; 7A—Cecil Downey,

MUST APPEAR OR BONDSMAN LOSES

Andrew Kinsley, Whose Conviction Was Sustained by Supreme Court, is Out of City.

LUTHER SHARP ON \$500 BOND

Higher Court Holds no Error Was Committed in Permitting License to be Introduced.

Luther C. Sharp, bondsman for Andrew Kinsley, convicted in the local circuit court on a "blind tiger" charge in connection with the Eagles lodge case, must produce him in court or forfeit \$500, now that the supreme court has sustained the conviction of Kinsley. The certified copy of the supreme court's finding reached the clerk of the Rush circuit court this morning.

Kinsley was found guilty on May 19, 1915 and sentenced to 30 days in jail, to which was added a fine of \$95. The case was appealed to the supreme court and the appeal bond fixed at \$500, with Sharp as surety. Since the appeal was taken Kinsley has married and has been living in Indianapolis. Sharp feels little concern about Kinsley and believes he will come here of his own accord to serve the thirty-day jail sentence.

The Eagles lodge was one of the first victims of the crusade against "blind tigers." Kinsley was found guilty in police court and appealed to the circuit court. Here he was again found guilty and now the supreme court upholds the circuit court. Kinsley assigned numerous reasons on appeal why judgment should be reversed, contending that it was an error to permit the introduction of government license to the

Two Steamers Loading Munitions Are Destroyed at New York Pier at Loss of \$4,000,000.

TORONTO CLUB DESTROYED

Starting From Explosion, Blaze at Fall River, Mass., Burns Block—Loss \$1,500,000.

(By United Press.)

New York, Feb. 16.—A \$4,000,000 fire virtually destroyed two steamers and damaged other vessels at the New York Dock company's pier in Brooklyn early today. It was brought under control after hours of hard fighting by engine crews and fire trucks.

All but one of the twenty coolies missing shortly after fire broke out, have been accounted for. The captain of the Boston Castle and a seaman aboard the Pacific, the two vessels burned, had thrilling escapes from death.

The two steamers were reported to be loading with war supplies for Russian or English ports. This report gave rise to rumors of a bomb plot. Another report, however, said that a short circuit of electric wires started the blaze.

ONE MAN DIES.

Toronto, Ontario, Feb. 16.—One man was killed, two were seriously injured and the building occupied by the American club was destroyed by fire following an explosion in the club rooms here early today. The fire was declared to have been of incendiary origin and reports of Tuetonic plots were soon in circulation.

The blaze was followed by a heavy explosion, which shook the entire building. P. I. Hurston of Dallas, Texas, a guest, was trapped in his room and perished.

STARTS FROM EXPLOSION.

Fall River, Mass., Feb. 16.—After an all-night fight against a \$1,500,000 fire which swept the business district of this city, combined apparatus of three cities checked the blaze early today.

Starting from an explosion in the basement of the Steiger department store, the flames claimed every building in the square, including the Lemox hotel and just missed the city hall and St. Mary's cathedral.

MYSTERIOUS FIRE.

Chicago, Feb. 16.—A mysterious fire, evidently of incendiary origin, was discovered early today in the city hall near the chemical laboratory in which poisons found in the room of Jeanes Cronos, alleged principal in the anarchist soap plot are being analyzed.

A quart bottle of oil was found in the cloak room near the laboratory.

Rushville, Like Every City And Town in the Union, Receives It

People with kidney ills want to be cured. When one suffers the tortures of an aching back, relief is eagerly sought for. There are many remedies today that relieve, but do not cure. Doan's Kidney Pills have brought lasting results to thousands. Here is Rushville evidence of their merit.

Mrs. Will Wolf, 1021 N. Oliver St., Rushville says: "I was having quite a bit of trouble with my kidneys. My back was weak and ached all the time. The kidney secretions were too frequent in passage and I had backaches and dizzy spells. As others of my family had used Doan's Kidney Pills with good success, I got some at Lytle's Drug Store. After finishing a few boxes, I was cured and I haven't had any trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mrs. Will Foster-Milburn Co., Props., Buffalo, N. Y. (Advertisement)

Gums shrinking? Danger ahead!

Go now to a mirror and examine your mouth? Do your gums look "rinsed out," shrunken? Do you see a jagged appearance in the gum-line?

If so, see your dentist. He will tell you that you have *pyorrhea*, and that to save your teeth you will have to fight this dread disease at once.

From *pyorrhea* come by far the greater part of all tooth troubles. Unless treated and checked, it will result not only in the shrinking and malformation of your gums and of the bony structure into which your teeth are set, but in the loss of the teeth themselves.

A specific for *pyorrhea* has been discovered recently by dental science, and is now offered for daily treatment in Senreco Tooth Paste. Senreco combats the germ of the disease. Its regular use insures your teeth against the attack or further progress of *pyorrhea*.

But Senreco does more. It cleanses the teeth delightfully. It gives them a whiteness distinctive of Senreco alone. Its flavor is entirely pleasing, and it leaves in the mouth a wonderful sense of coolness and wholesomeness.

Start the Senreco treatment before *pyorrhea* grips you for good. Details in folder with every tube. A two-ounce tube for 25c is sufficient for 6 weeks' daily treatment. Get Senreco of your druggist today, or send 4c in stamps or coin for sample tube and folder. Address The Santanel Remedies Company 503 Union Central Building, Cincinnati, Ohio.

How We Wash Your Linen

At our modern laundry your clothes are washed by being placed inside a large perforated cylinder which revolves inside a water tight case. The case holds the water—the cylinder carries the garments through it.

With every revolution the clothes are carried through the water and dropped again into it. This and the constant motion work the water and soap suds through the clothes, and so loosen up and carry away the dirt without the wear of the rubbing process.

In our washing process we change the water upon your clothes seven times. These waters range in temperature from cold to boiling hot. We use pure soap, plenty of it, and the best bluing money can buy.

Naturally we make your clothes whiter, cleaner and sweeter—and guarantee their perfect sanitary condition.

The supreme court held that no error was committed on the arraignment as the plea in the mayor's court held good in the circuit court. FOR GOVERNOR OF INDIANA

JAMES P. GOODRICH

From Every Standpoint the Logical Candidate to Lead the Indiana Republicans to Victory This Year

Mr. Goodrich is a successful business man, farmer and banker.

He is a thorough student of affairs of Indiana.

As Republican State Chairman for ten years he not only established a reputation for efficiency but for fair and impartial dealing with every element of the party.

He has been National Committeeman since 1912.

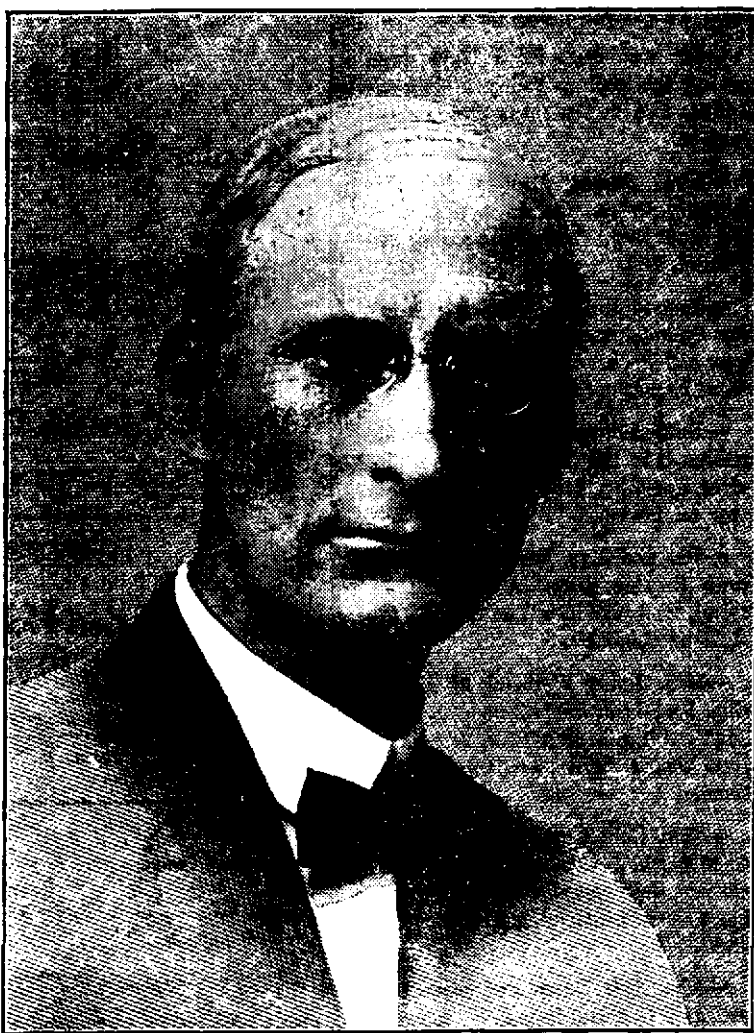

For more than twenty-five years he has been in the thick of the fight for the principles of his party and its candidates.

He has made himself a factor of good for his state.

He knows its needs and his record entitles him to fair and impartial consideration, which is all he asks.

He will be nominated March 7 at the primary because the Republicans and others who desire to affiliate with the party appreciate men of his character.

He will be elected in November because the people want a high-grade, Efficient, Experienced and Capable Man like Mr. Goodrich in charge of the Governor's office.

It behooves the Republican party to nominate its strongest man this year as the Democrats are in control of the National and State administrations.

No man in Indiana knows better than Mr. Goodrich how to conduct a campaign. His record would prove this statement even if it was disputed.

Mr. Goodrich has given years of study to the taxation question. He probably understands it as well as any man in Indiana.

He is the only candidate with a constructive program for enactment of laws that will equalize and justly lower your taxation burdens.

Mr. Goodrich stands for Better Taxation Laws, Better Roads, Honesty, Efficiency and Economy in Public Office.

Your active support of Mr. Goodrich at the Primary March 7 will be appreciated.

Fully seventy-five per cent of the editors of the Republican and Independent newspapers of the State have indorsed Mr. Goodrich and are supporting him. These men know him intimately. No other candidate ever received a finer or more general indorsement from the press of Indiana.

Principles Endure

The following is from an article written by Will H. Hays, chairman of the Republican State Committee, that appeared in the Lincoln League edition of the Terre Haute Spectator.

"The principles of the Republican party since the days of the Emancipation Proclamation have been right; and they are right today. Men live and die but principles endure, and you may be very sure that this fall's election in state and nation will register the people's adherence to these principles and their faith in our candidates. The selection of these candidates will be the free expression of the choice of the party membership. And in this activity all men who desire to affiliate with us are most earnestly urged to participate. The province of the position I occupy is to use every honest means to select the candidates and not in any sense to control the nominations. In the strenuous days which are immediately before us we will act as referee only, strictly observing a referee's limitations. And when the selections have been made, the great reunited Republican party in Indiana will go forth behind these good men, who-

ever they may be for a complete victory in November."

That our export trade in cotton goods to China has dropped to one-third of what it has been, while that of Japan has increased nearly nine times, as shown in a report of Ralph Odell, of the Department of Commerce, will surprise nobody who takes into consideration the fact that the Japanese wage scale is about one-twelfth that paid in American mills, and the success which has attended the efforts of Japan in imitating American-made goods. The loss of trade is bad enough, but another thing the American expansion of the cotton cloth industry in Japan may result in her getting into our domestic market and put the home producers out of business, unless adequate protection is afforded the industry here. If Japan can make prices agreeable to the Chinese there is no reason why, under a Democratic tariff law, she can not invade the American market.

HUNDRED LEADING HOOSIERS 1816-1916

JONATHAN JENNINGS—2

Jonathan Jennings was chosen president of the Constitutional Convention of 1816, entering the race for governor immediately afterward, at the age of thirty-two. He was opposed by Thomas Posey, the territorial governor. The election occurred in August, 1816, and Jennings received 5,211 votes to 3,934 for Governor Posey. During Jennings' administration the entire machinery of the state government was put into operation. While governor he was appointed commissioner by President Monroe in 1818, to treat with the Indians at St. Mary's, Ohio. According to the constitution of Indiana the governor was disqualified from holding a position under the federal government. Lieutenant Governor Harrison at once insisted that Governor Jennings, by accepting the appointment as Commissioner, disqualified himself, and had forfeited the office of governor. When Jennings returned, Harrison refused to vacate the office. Jennings presented his demands—whereupon Harrison left, took the state seal and opened another office. When the legislature in December, 1818, a committee appointed to investigate the contest, finally recognized and received his message.

Subject to Primary Election March 7th

GEO. B. MOORE, Jr.

Having been the Republican nominee for Clerk in 1912, which required considerable time and some expense, both cheerfully given: the privilege of again making the race, when, from a Republican viewpoint, the political outlook is very much brighter, would be appreciated very much.

er to the county commissioners so that the improvement could be made under the three-mile road law. This action was expected as the council does not believe this is the proper time to turn the street over to the county as there are assurances that the street will be constructed by the county. If the improvement is granted then the council will give the proper permission. The same action was taken on the proposed three-mile improvement on Eleventh street. This petition is in ahead of the First street improvement and an effort is being made to get this improvement through the county commissioners at this time. The Eleventh street improvement has been held up waiting for the township to reduce the bonded indebtedness.

The fire department in appreciation of the \$5 a month raise in salary treated the council to cigars, oranges, bananas and apples.

KOKOMO MAN SAYS TANLAC FITS CASE

J. F. Nutter Declares he Feels Stronger Than he Has For Years.

Kokomo, Ind., Feb. 16.—J. F. Nutter, a well known glass worker, who lives at 749 South Union street, Kokomo, recently said regarding Tanlac, the Master Medicine:

"Constipation and stomach trouble caused me great annoyance and pain for months. I suffered intensely with indigestion, had frequent severe headaches, and was very nervous. I felt nauseated most of the time and had a very poor appetite. Almost everything I ate produced pain. I was extremely restless at night owing to my nerves being unstrung, and I got very little sleep.

"Tanlac appealed to me because I knew of the good it was doing others. I decided that a medicine that was doing as much good for others ought to help me. Since taking Tanlac I sleep better than I have for years, and the headaches have disappeared. My nerves, also, are in good condition, now, and the stomach trouble has been relieved wonderfully. Tanlac just fits my case. I feel better and stronger than I have for years."

Thousands of Indiana people are now deriving benefit from Tanlac. It is especially beneficial for stomach, liver and kidney troubles, rheumatism, loss of appetite, catarrhal trouble and the like.

Tanlac is now sold exclusively in Rushville, at F. E. WOLCOTT'S Drug Store.

EAT LESS MEAT IF BACK HURTS

Take a glass of Salts to flush Kidneys if Bladder bothers you—Drink lots of water.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

WOMEN'S STOMACH TROUBLES

The Great Woman's Medicine Often Just What Is Needed.

We are so used to thinking of Lydia E. Pinkham's Vegetable Compound as a remedy exclusively for female ills that we are apt to overlook the fact that it is one of the best remedies for disorders of the stomach.

For stomach trouble of women it is especially adapted, as it works in complete harmony with the female organism, since it contains the extracts of the best tonic roots and herbs. It tones up the digestive system, and increases the appetite and strength. Here is what one woman writes showing what this medicine does:—

Newfield, N. Y.—"I am so pleased to say I can recommend Lydia E. Pinkham's Vegetable Compound as an economical and beneficial remedy in most ailments pertaining to women. At least I found it so by only taking two bottles. I had indigestion in a bad form and I am now feeling in the best of health and owe it all to Lydia E. Pinkham's Vegetable Compound."

Mrs. BURR WILLIAMS, R.D. No. 29, Newfield, N.Y.

Many women suffer from that "all gone feeling," and "feel so faint," while doing their work. Ten chances to one their digestive system is all out of order. A tablespoonful of Lydia E. Pinkham's Vegetable Compound after each meal should completely remedy this condition in a few days.

Rheumatism Can be Cured

It is not necessary to go to a high priced watering place and drink nasty tasting water. You can cure yourselves right here at home with a remedy that has stood the test for more than 30 years. It acts directly and speedily upon the kidneys, liver and urinary organs and is a wonderful cleanser and tonic remedy. I can refer to many cases who were cured right here in Rushville. IMPORTANT MEETING

Psi Iota Xi held an important business meeting last evening at the home of Miss Frances Neutzenheller, when plans for the Penny supper to be held Friday evening were discussed. Appreciation was expressed for the numerous offers of help that have been given to aid in helping the visiting nurse fund. The girls enjoyed a pleasant social hour following this during which the hostess served a delicious luncheon, consisting of a salad course, to the guests.

A dinner-dance will be given at the Social Club on next Thursday evening, February 24th, by the ladies of the third division. The ladies wish to announce that they regret having to place the date on the regular prayer meeting night. Circumstances are such, however, that it is the only possible date for the affair.

WASHINGTON'S BIRTHDAY.

On Monday evening, February 21st, the Knights of Columbus are planning to give a patriotic entertainment in honor of the birthday of George Washington's birthday, which is the following day. An interesting musical program has been arranged for and Lincoln Gary will give a talk on a patriotic subject. It is to be given in the K. of C. hall and the public is invited to attend and enjoy with the hosts, this inspiring patriotic occasion.

SOCIAL MEETING

The Ladies Aid society of the United Presbyterian church was entertained in especially pretty surroundings yesterday afternoon, when the members met with Mrs. T. M. Green and from the windows looked out upon the snowy terrace sloping downward. After several reports, showing the accomplishments and progress of the society were given, the remainder of the afternoon was spent in a social way, the ladies enjoying a chat over needlework. There was an excellent attendance and they greatly enjoyed the refreshing luncheon served near the close of the pleasant afternoon. The next meeting will be with Mrs. Higgs at her home in West Second street.

OLD FASHIONED DINNER

Even though one delights in the newest of dishes, the most modern decorations and the very latest ways of entertaining, one cannot deny that the mere word old-fashioned party demands and creates an informality and sociability, that surpasses the most original ideas of the most scheming twentieth century hostess.

Such was the case today, when Mrs. George C. Alexander entertained a company of her friends and furnished for a regular old-fashioned party for them. The table was set with pretty, old-fashioned dishes, tempting layer cakes were on high dishes in the center of the laden table, and each of the delicious articles going to make up the bountiful dinner was cooked and served in an old-fashioned style. Kept in this atmosphere of long ago, the guests knotted a comfort during the pleasant afternoon hours, and modern congeniality entered into the early pastime.

Among those who decided that the ways of our grandmothers equalled and surpassed our flights of society were: Mrs. Sarah Giffin, Mrs. H. V. Logan, Mrs. Morton Gray, Mrs. Dora Wood, Mrs. Leonard Alsop, Mrs. H. Lee Wilson and daughter, Helen, Mrs. Charles G. Carney, Mrs. Orval Zimmer, Mrs. H. S. Carney and Miss Zora Carney.

FAREWELL PARTY

During a short stay of only two months in this city, Mr. and Mrs. James Nichols have made new conquests of friendship at every turn, as was proved by the number of their friends in attendance at the party given in their honor at the Baptist church last evening. The men of the Brotherhood Bible class were hosts and had as their guests their families and friends. Mr. and Mrs. Nichols, who are leaving soon for their home in Olney, Illinois, have been visiting their daughter, Mrs. F. C. Steffy, and have shown their active interest in the Baptist church by their loyal help and co-operation.

The goodly crowd that gathered was welcomed with a talk by J. Q. Thomas, and several other members of the class made short interesting

remarks. Several talented guests offered a delightful little program, compatible with the occasion, enumerated in the following: A piano solo was played by Mrs. Roy Saunders; Mrs. Gilbert Palmer sang a vocal number; and readings were given by Mrs. F. C. Steffy and Russel Perrin. It was all charmingly informal and intimate. Before the delicious luncheon was served, Mr. Nichols in a few words, made everyone glad for having planned and attended the affair by telling of the kind feeling and appreciation that he and Mrs. Nichols left here.

MISCELLANEOUS SHOWER.

Mrs. John Benning and Lillie Harcourt gave a miscellaneous shower for Aulta Roth Major at the home of Mr. and Mrs. William Roth, southwest of here Monday evening. The house was bedecked with hearts suggestive of Valentine day. Many beautiful presents were received.

The guests from away were Mr. and Mrs. Joseph Roth of Connersville, Mr. and Mrs. Harry Piles of near Clarksburg, Mr. and Mrs. Carl Ignis of Sexton and the following from here: Mr. and Mrs. Faron Whitinger, Mrs. Wilber Brown and daughter Carrie, Mrs. John Riggs and daughter Clara, Mrs. Ernest Patterson, Mrs. Ira Harcourt, Mrs. William Taylor and daughter Philora, Mrs. Frank Boring, Mrs. Lora Waggoner, Mr. and Mrs. Orval Headley, Mrs. Elsie Carpenter, Mrs. John Benning, Mrs. Mary Whitinger, Mr. and Mrs. Cecil Major, Miss Luedith Ward, Mrs. Ed Thorpe, Mrs. Gertrude Hungerford, Mrs. Francis Hewitt, Mrs. Sarah Hungerford, Mrs. Lucinda Harcourt, Mrs. Lucinda Farlow, Mrs. Clifford Power and daughter Jean, Mrs. Roy Linner, Miss Mary Barlow, Mrs. Earl Harcourt, Mrs. Bert Reed, Miss Marie Hewitt, Mrs. Effie Scull, Mrs. Wilse Hasty, Mrs. Burnie Piper, Master Maurice Headley, Garland Whitinger and Robert Hasty, Doris Whitinger, Mildred Hungerford, Deloris Hasty, Violet Headley and Grace and Mary Major.

Ice cream, coffee and cakes were served and miniature valentines were given as favors. In the guessing contest, eight tied for the honor and they drew numbers from a box to decide the contest, Miss Luedith Ward being the lucky one.

"SHAW, THE SOCIALIST"

A different phase of the life and work of Bernard Shaw, than that which might have been expected was discussed last evening by Prof. Jenkins, of Indiana University, who has been furnishing intellectual treats in the series of lectures which he has given before the members of the Shakespeare Club, and their friends whom they have generously invited. About seventy-five people heard his lecture given in the Graham assembly room last evening.

Prof. Jenkins did not dwell so much upon Shaw's work as a dramatist as he did emphasize the cause and effect of his writing plays. "He did so from a socialistic standpoint, thinking the best results in settlement work in which the unselfish dramatist is intensely interested, could be attained. Mr. Jenkins said. "The effects which his plays have already reaped in England have proved he was right, for

**OLD-TIME COLD CURE—
DRINK HOT TEA!**

Get a small package of Hamburg Breast Tea, or as the German folks call it, "Hamburger Brust Thee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teacup full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus breaking up a cold.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

RUB RHEUMATISM FROM STIFF, ACHING JOINTS

Rub Soreness from joints and muscles with a small trial bottle of old St. Jacobs Oil

Stop "dosing" Rheumatism. It's pain only, not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "aching spot," and by the time you say Jack Robinson—out comes the rheumatic pain. "St. Jacobs Oil" is a harmless, penetrating cure which never disappears and doesn't burn the skin. It takes pains, stiffness and aches from aching joints, muscles and bones; stops swelling, lameness, backache, neuralgia, Lumbago, etc. Get a 25 cent bottle of old-time "St. Jacobs Oil" from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.

SAYS BRYAN WILL OPPOSE PRESIDENT

Copyrighted Article in New York Post Declares he Will Fight Wilson's Renomination.

GUESS BASED ON INTERVIEW.

(By United Press.)
New York, Feb. 16.—William Jennings Bryan—the man who made the nomination of Woodrow Wilson possible at Baltimore—will in all human probability oppose the renomination of the president at the Democratic national convention, next June," said the Washington correspondent of the Evening Post, in a copyrighted article today.

The correspondent stated, however, that if President Wilson is renominated, Bryan will not bolt his nomination.

"This is the fixed impression which the ex-secretary of state left on my mind after two long talks with him recently," the article continued.

"He asks particularly that until the president formally announces his candidacy, nothing be said of his views, and even then he did not want to be restricted by any interference in advance of the convention. He wanted to be free to do as he thought best—to express himself at the moment he thought most opportune."

NOTICE
For the Improvement of a Highway in Rushville Township, Rush County, Indiana.

Notice is hereby given that a petition has been filed in my office for the grading, draining and paving the same with concrete of a highway in Rushville Township, Rush County, Indiana, which petition is in words and figures as follows, to-wit:

TO THE BOARD OF COMMISSIONERS, RUSH COUNTY, INDIANA:
Come now the undersigned and respectfully show to your Honorable Board that more than fifty of the undersigned petitioners are residents and voters of Rushville township, Rush County, Indiana, and that said Rushville township, Rush County, Indiana, does not contain an incorporated town or city of thirty thousand inhabitants, but that said township does contain an incorporated city of less than thirty thousand, to-wit: Rushville, Indiana.

Your petitioners would further show to your Honorable Board that there is now and has been for a number of years past, a public highway in said township described as follows, to-wit:

Beginning at a point in the Rushville and Andersonville Free Gravel Road in the west half of the southwest quarter of Section 5, township 13, north, range 10 east, where the same is intersected by the Rushville and Mifflin Free Gravel Road. Said point of beginning being at the terminus of such portion of said highway as is now improved by having the same drained, graded and paved with brick and running thence south and southeasterly direction over and along said Rushville and Andersonville Free Gravel Road to a point where the same intersects the east line of said Rushville township, Rush County, Indiana, said above described highway being about 2 1/2 miles in length and running through sections 6, 8, 9, and 10, all in township 13 north, range 10 east.

Said petitioners say that said above described highway should be graded, drained and paved to the width thereof as now established and that the same should be improved by grading, draining and paving the same with concrete or with crushed stone and bound macadam and that when the same is so graded, drained and paved, it will be of public utility.

Your petitioners would further show to your Honorable Board that said highway proposed to be improved is all in said Rushville township, Rush County, Indiana, and at the same time is less than three miles in length and connects at the north end thereof with an improved free gravel road now paved with brick and that the south end thereof connects with the east boundary of said Rushville township, Rush County, Indiana, and that a United States Rural Mail Route passes over and along said highway.

Your petitioners would further represent that in view of the importance of said highway and the great amount of travel thereon, that it would be for the best interests of the taxpayers of said Rushville township, Rush County, Indiana, to have the same graded, drained and paved with concrete and they respectfully recommend to your Honorable Board, that said highway be graded, drained and paved with concrete.

Respectfully submitted:

ASKS GUARDIAN REMOVAL

O. M. Offutt Files Petition to Oust William E. Cowger.

Oliver M. Offutt has filed a petition in the circuit court asking that William E. Cowger be removed as guardian for Elmer C. Cowger. The guardianship was instituted because Elmer C. Cowger is an inmate of the Madison insane asylum. In the petition it is alleged that William Cowger is incompetent to act as guardian and that he is not giving the interests of his ward the proper attention. The complaint states that Elmer Cowger has real estate valued at \$9,750 and that the guardian rents the land to himself for \$200 a year when he should be paying \$400 a year. The court is asked to hear the evidence and then remove the present guardian, Kiplinger & Smith represent Offutt.

MAKES 'EM WHILE YOU WAIT
(By United Press.)
Cleveland, Feb. 16.—Four model homes, offering ideas of landscaping and construction, will be erected "while you wait," during the complete building show which opened a week's exhibition here today. A typical street with real grass lawns, flowers, gardens, and sidewalks will go to make the building exhibit, intended primarily to show the various materials in building.

MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claim you make for it," said Johnson's (Drug Store), the popular druggists, to a Daily Republican man. "On the other hand it is a pleasure to sell a medicine when our customers come in afterward and tell you how much good it has done them. And that is why we like to sell and recommend Solvax, the great kidney remedy. We have so much faith in this article that we are going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help."

This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly end all such troubles.

Designs as shown by some firms are more or less freakish or fadish to attract the attention of the prospective customers with scarcely a thought of their wearing appearance or correctness in proportion. But then they are merely on paper and represent but a small loss if they don't take.

To The Republicans of Rush Co.

I wish to say to the Republicans of Rush county that I am a candidate for the nomination of STATE SENATOR for the district of Hancock, Rush and Decatur Counties. I was your nominee for the same office in 1914, when the district was composed of Hancock, Rush and Fayette, and ran ahead of the State ticket in each County.

I did not seek the office at that time, but accepted when there seemed to be no chance of election, and did my part to bring success to the party. I led the ticket in Hancock County by several hundred votes. I am asking for your support in the nomination, and if nominated will do all I can to be elected. I take this method of soliciting your support as I will be unable to see all personally.

Thanking you for anything you may do in my behalf, I am,

Yours most sincerely,

a number of tenement districts have been destroyed and modern ones built in their place. He was also influential in securing the service of public doctors, paid by the city, whose patients are all those who earn less than fifteen dollars a week. Knowing the preparations which Mr. Shaw has had for writing, a number of unexplained passages in his plays are clear and meaningful. Reviews of "Pygmalion," "Mrs. Warren's Profession," and "Major Barbara," were given by Prof. Jenkins, who commented that he had just seen the dramatiza-

tion of the last one mentioned while in New York.

VALENTINE PARTY

The fact that this is Leap Year has not affected the enthusiasm, for entertaining of the young men in the Orange high school, as was proved on Monday evening when they were hosts to a number of their young lady friends. The high school auditorium presented a home-like and festive appearance, thanks to the pretty decorations which consisted of red hearts and cupid's dangling here and there and floating gracefully from every possible place. The effect repaid the hosts

for their pains in decorating. After a jolly hour of games and Valentine contests, the guests found their partners for supper by matching the halves of Valentines that had been distributed. After the delicious repast which was especially tempting because of the pretty Valentine table decorations and the unique place cards, the following clever toasts were given:

"As Our Valentines, You Are Welcome"—Wilbur McKee.
"Response"—Miss Grace Coffee.
"Soap Bubbles"—Rollin Morris.
"My Idea of a Good Time"—Miss Mary Houchins.
"Valentines I Know"—Edgar Starr.
"Leap Year"—Miss Helen Morris.
"Wishing"—Miss Mary McKee.
"Why I Like Hearts"—Miss Florence Paxton.
"What I Think of Valentines"—Gilbert Morris.

Pink carnations were the favors of the evening to the guests who, aside from those mentioned, were as follows: the Misses Druzie Crist, Mildred Utter, May Tittsworth, Nellie Stevens, Edna George, Lela Bowen, Mildred Beaver, May Helen Houchins, and Clarence Crist, Bezel Creek, Royden Friend, Gilbert Morris, Leitha Hitchell, Edwin Stewart, Carl Morris, Roland Morris, Israel Long, Robert Beaver, Merrill Colvin, Virgil Pike, and Kenneth Morris.

R. M. C. MEETS.

The R. M. C. met with the Misses Goulda and May Weir Monday afternoon at their home just south of New Salem. The decorations were very pretty in hearts and ferns. Valentine favors were given. Delicious refreshments were served and the guests departed at a late hour after a very enjoyable afternoon. The next meeting will be with Miss Vera Stone.

CLEVER PARTY

The working out of clever ideas prevailed at the party given yesterday afternoon for the Ladies Aid society of the Methodist church by Mrs. H. G. Francis, Mrs. Minnie Abercrombie, Mrs. John C. Blackledge, Mrs. W. M. Whitsitt, Mrs. A. L. Aldridge, and Mrs. Charles Baker. The lovely home of Mrs. Francis was profusely decorated with Valentine symbols, strands of red and blue hearts being draped from the corners of the rooms and crossed gracefully in the center. Hearts, too, were in evidence on the curtains and walls, with the result that a veritable Valentine bower served as a setting for the pleasant gathering. Mrs. Abercrombie's paper on "The Origin of Valentine Day" was as interesting as the name suggests, and was followed by two beautiful violin solos by Miss Leona Thomas, who was accompanied by Mrs. Verl Behout. Several appropriate Victrola selections helped make the afternoon hours pleasurable ones. An excellent Valentine reading was given by Mrs. Whitsitt. Preceding the program, a short business session was held during which Mrs. Horatio Havens and Mrs. Ned

Abercrombie became member of the society.

A huge basket, draped with an American flag which had been filled with the Valentines that each of the ladies had brought, was then brought in and its contents were drawn out, causing a great deal of amusement as they were read.

By matching parts of Mother Goose rhymes that had been distributed about, the guests found their partners for the dainty collation that was served and brought to a close one of the most pleasantly social meetings in the history of the society.
